

Project Design Phase
Proposed Solution Template

Date	22 May 2025
Team ID	LTVIP2025TMID52020
Project Name	Learnhub: Your Center For Skill Enhancement
Maximum Marks	2 Marks

Proposed Solution Template:

Project team shall fill the following information in the proposed solution template.

S.No.	Parameter	Description
1. 1	Problem Statement	Many learners struggle to access quality, up-to-date technology courses at home. Simultaneously, individual educators lack affordable tools to publish and share their knowledge effectively.
2. 2	Idea / Solution Description	LearnHub is an online platform where students can easily browse and enroll in both free and paid technology courses offered by educators. It provides dashboards for students, teachers, and administrators, making course management seamless.
3. 3	Novelty / Uniqueness	Targeted for both learners and individual educators- Real-time course enrollment and management- Supports free and paid models- Separate role-based dashboards
4. 4	Social Impact / Customer Satisfaction	LearnHub empowers educators and promotes skill development among students. It helps bridge the digital learning gap by offering accessible, affordable education.
5. 5	Business Model	Freemium with Ad Support- Subscription for premium courses- Revenue-sharing model with educators
6. 6	Scalability of the Solution	LearnHub is built using scalable technologies (React, Node.js, MongoDB) and can be extended with integrations like Zoom API, Google Classroom, or payment gateways for global reach.
